

TUTORING POLICY

The Ellenville Public Library & Museum permits the tutoring of students in accordance with the Board's philosophy to not restrict educational usage of the facility by the public. Tutoring is allowed only for one-on-one sessions. Group tutoring of students is not permitted.

The double study carrel is reserved for the Ellenville Public Library & Museum's ESL literacy program tutors and students. The carrel may be used by outside tutors and students, but must be vacated upon request.

School age students being tutored in the library are the responsibility of the tutor while on library grounds until released to a parent/guardian or authorized transportation.
