

Monroe Free Library

Tutoring Policy.

Approved 3/13/00

In keeping with Monroe Free Library's mission to enrich the community's quality of life, to support formal and lifelong independent learning, and to provide services necessary for supporting these ends, the following guidelines are to be observed in regard to use of facilities by tutors.

Tutors will contact the library and obtain a meeting room policy/application to reserve use of the meeting room space. A Meeting Room application will be kept on file for each tutor.

The main library areas are not available for tutoring as this space is reserved for research, reading, and study.

School aged students being tutored in the library are the responsibility of the tutor while on library property until released to parent/guardian or authorized transportation.
