## The 2016 Page-A-Day Book Lover's Calendar

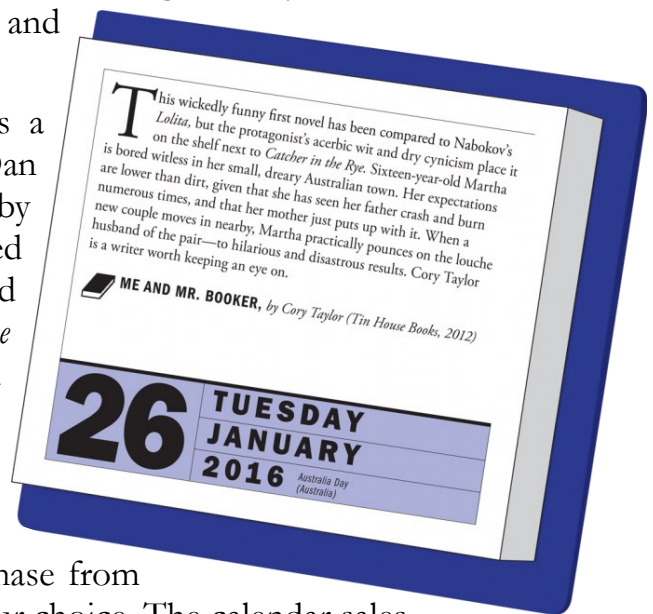

# Order Yours Today!

The Advocacy and Fundraising Committee of the Ramapo Catskill Library System (RCLS) Board of Trustees is presenting an opportunity to purchase the 2016 Page-A-Day Book Lover's Calendar for use in homes and offices or as gifts for friends and loved ones.

A bibliophile's dream come true—every day brings a spot-on recommendation. Readers who love Dan Brown are instructed to check out *The English Girl* by Daniel Silva. Cormac McCarthy devotees are nudged toward William Gay's debut novel, *The Long Home*. And sci-fi lovers learn they must pick up Rick Yancey's *The 5th Wave*. Plus famous last lines, literary quizzes, and surprising facts about our favorite authors are included.

The calendars are priced at \$10.00 each, a savings of \$3.99 over the retail price and are available for purchase from RCLS. Purchases will be delivered to the library of your choice. The calendar sales will benefit the RCLS Vehicle Reserve Fund.

Don't delay—this special offer to purchase these calendars is available for a limited time only.
