Book Lover's Calendar

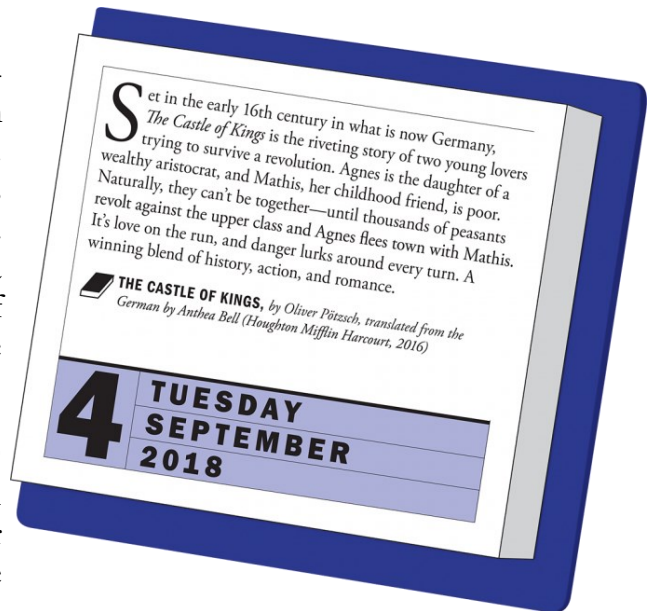

# Order Yours Today!

The Advocacy and Fundraising Committee of the Ramapo Catskill Library System (RCLS) Board of Trustees is presenting an opportunity to purchase the 2018 Page-A-Day Book Lover's Calendar for use in homes and offices or as gifts for friends and loved ones.

A bibliophile's dream come true—every day brings a spot-on recommendation. Fans of *Cloud Atlas* will love Sharon Guskin's *The Forgetting Time*, a taut psychological thriller. Historical fiction aficionados will be hooked by Chris Cleave's epic WWII-era novel *Everyone Brave Is Forgiven*. Plus fascinating works of nonfiction, including Nathalia Holt's *Rise of the Rocket Girls*, the true story of the group of brilliant women who paved the way for America's space program. You'll never run out of great reads!

The calendars are priced at \$10.00 each, a savings of \$4.99 over the retail price and are available for purchase from RCLS. Purchases will be delivered to the library of your choice. The calendar sales will benefit the RCLS Vehicle Reserve Fund.

Don't delay—this special offer to purchase these calendars is available for a limited time only.
