Checkout Library Rules!

We've made it easier for you to manage your library materials. Due dates will be more uniform because items borrowed at this library, whether you found them on our shelf or ordered them from another library in our system, will follow our library's lending rules!

Check your receipt before you leave. During a short adjustment period, some stickers on library materials may not reflect the same loan period as your checkout receipt! Dates on the receipt are the correct due dates for returns.
