Long Range Goals of the Library

- A. The library will select from the mass of available materials, and organize for easy access, those books and materials that best meet the needs of the community.
- B. The library staff will provide guidance and assistance for people to obtain the information they seek.
- C. The library will initiate programs to stimulate the use of library materials.
- D. The library, when appropriate, will cooperate with other community agencies and organizations.
- E. Library service will be provided during those hours that best meet the needs of the community and as the budget allows.
- F. Periodic review will be made of library services to determine whether the needs of the community indicate that present services should be discontinued or other services should be added.
- G. Expand and improve the current library facility.
- H. Provide public internet access for the community.
