Building Your Program

...to launch YOU into a successful Summer Reading Program. Constructive minds from RCLS member libraries will discuss ideas to structure your summer reading program. Have that “wobbly” feeling about school visits? Want a massive onslaught of participants for your weekly programs? Want to energize displays? Bring your questions, as well as your solutions about any of the many aspects involved in building a creative summer reading program.

Crafts

Crafts will be displayed and demonstrated throughout the day.

Participants

...are invited to come dressed in a costume to promote the theme. A prize will be given for the best costume.

While at RCLS

The *AccuCut machine* will be available for use between 8:00 a.m. and 4:00 p.m. You may reserve a time to use a machine. You must bring your own paper and any other materials from which to cut the shapes. You must reserve time and shapes with [Eileen](#).
