# Home Delivery Service

The Woodbury Public Library is pleased to announce our new Home Delivery Service of library materials.

This service is provided to our patrons who cannot visit the library due to temporary or permanent disability.

Patrons can request specific titles or the library staff will select items from subject areas and authors of interest to you.

Home delivery patrons must be residents of the Town of Woodbury.

To enroll in this new program, please complete this registration form and return it to either branch of the Woodbury Public Library.
